Forecast for Monday 06 Sep 2021

Weather: Remaining grey and overcast across much of the area during daylight hours with the cloud well down, light rain or drizzle at times. However, skies should brighten over the Ladder Hills and more sheltered east.

Chance of cloud free mountain/hill tops above 800m: Nil to 20% around Ben Alder, the Monadhliath Mountains and Cairngorm Plateau. 50% by afternoon around the Lecht

Visibility: Poor or very poor at any significant height. Good or very good below the cloud and more widespread across the east of the area in the afternoon. Extensive or overcast cloud with base 600 to 900m, but nearer 300m at times around Ben Alder and the west, particularly early morning. The cloud lifting near or above the summits in the east during the afternoon.
